

# Creep into the DEEPEND™

**TAMARA FRANK, PhD**  
NOVA SOUTHEASTERN UNIVERSITY

## STUDIES:

Deep-sea crabs, lobsters, & shrimp; vision and bioluminescence of deep-sea animals

## DEEPEND FOCUS:

Diversity and abundance of deep-sea shrimp

## HAS STUDIED:

From ships and submersibles has studied deep-sea life off the Bahamas, Canary Islands, Costa Rica, Cuba, Iceland, Samoa and California, Florida, and Hawaii

## THREE THINGS TAMMY DOES TO HELP THE EARTH:

I recycle everything I can, use canvas shopping bags, and use biodegradable bags to pick up my dogs' waste
