

# WHALETIMES POSTCARDS FROM THE DEPEND!

Deep-Pelagic Nekton Dynamics of the Gulf of Mexico 2015

Photo copyright April Cook. Used with Permission.

Dear Jake,  
Getting ready to climb aboard the RV Point Sur for our DEPEND cruise! We just have to load our equipment and luggage. Here's a picture of the crew loading a crate. Would you believe those are just my socks?

I can't wait to find out what cool creatures live in the deep of the Gulf of Mexico. I'll let you know what we find....

More to come.

Tracey
