

# Journey into Midnight: Light and Life Below the Twilight Zone

## Join the Deep-Sea Science Team

Explore the ocean with our *Journey into Midnight* Science Team Members. Follow the instructions below.

1. Use a crayon to add your hair and color you and your clothes.
2. Cut out.
3. Think like a scientist. What do you know about an ocean animal or home? What do you want to know? Where will you explore to learn more? Write a story about your adventure and share it with others.
